Invite to the

39. Techno-Economical-Colloquium

on 24.11.2026

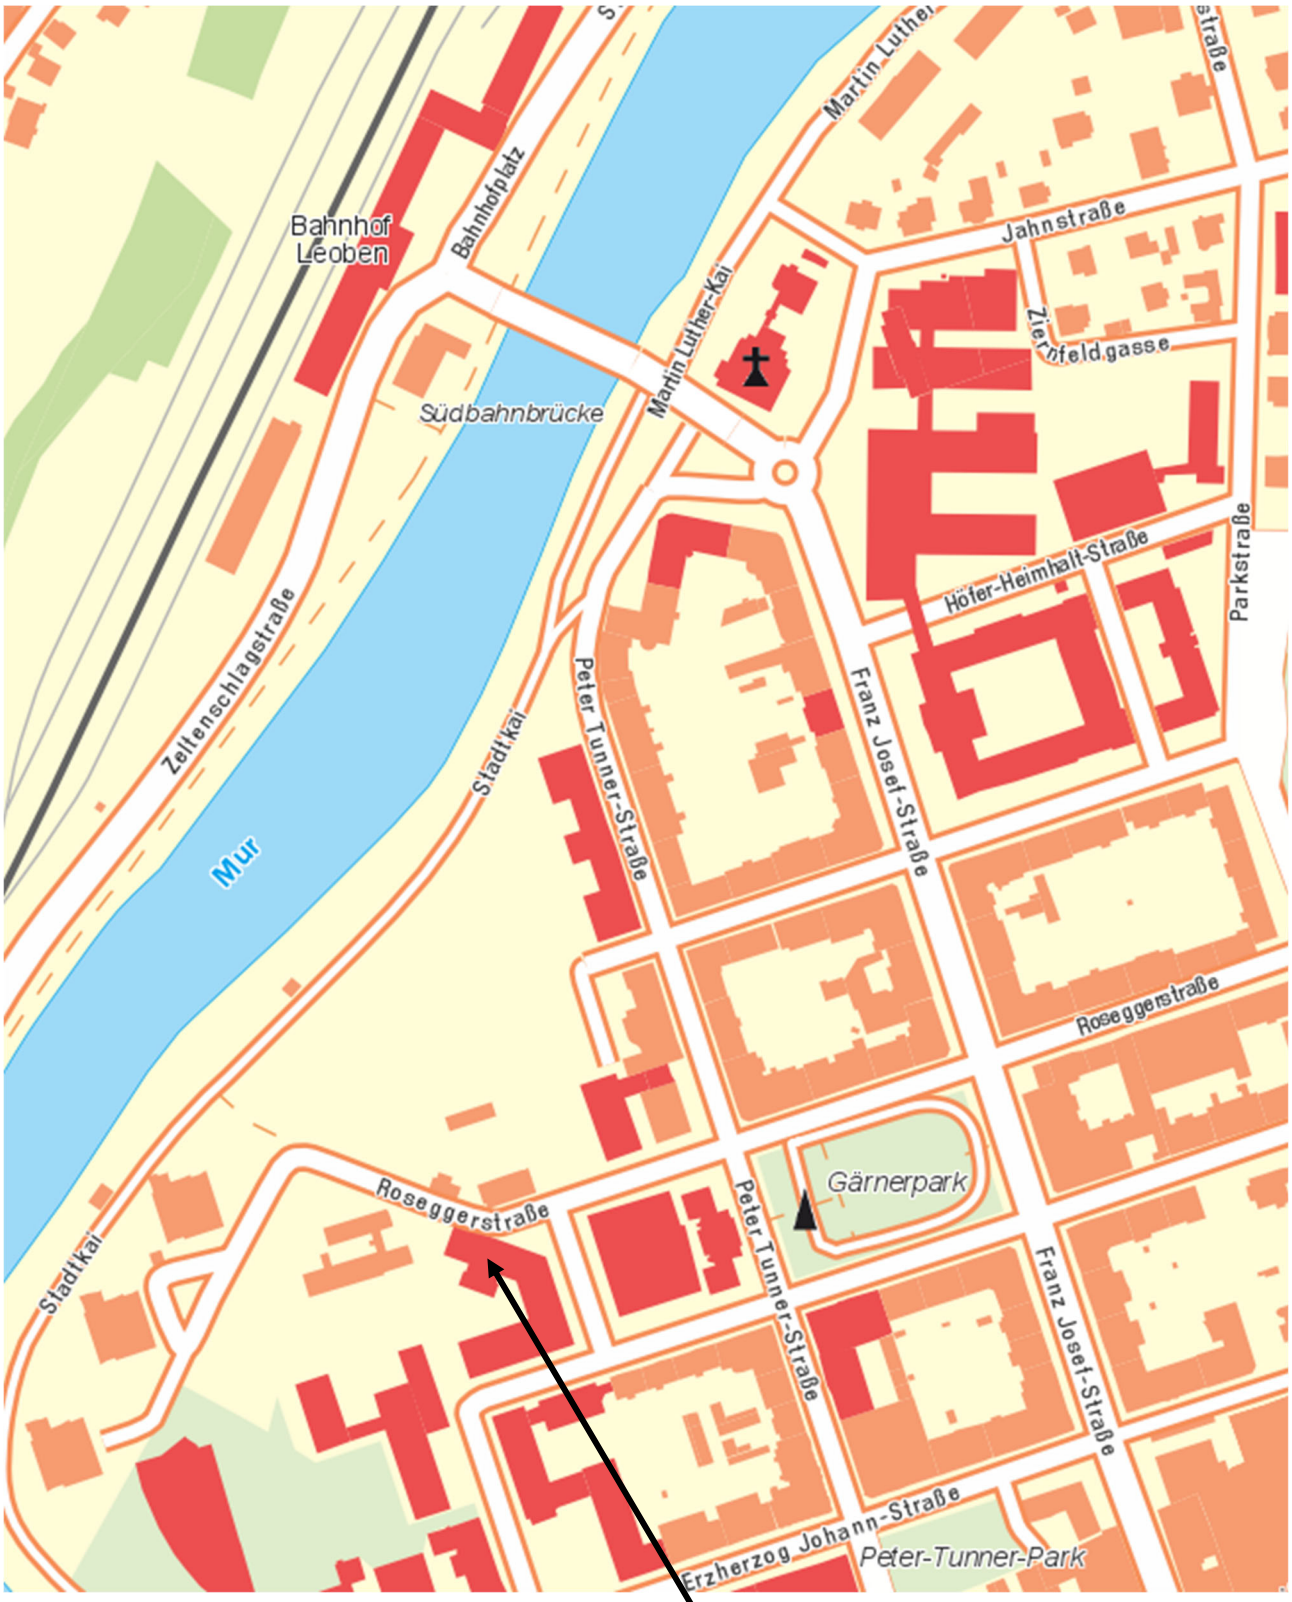

Chair of Economic- and Business Management, Technical University Leoben
Seminar Room IZW, 4th Floor, Roseggerstraße 12, 8700 Leoben

Time		Program	Speaker	Institute
09:30	10:00	Registration		
10:00	10:20	Opening Round	Mayor's Office, Rector's Office	
10:20	10:40	Business-Model Development in Academic and Research-Based Ventures (C)	Julian Widhalm	Institute of General Management and Organization
10:40	11:00	Engineers' Digital, Innovation and Sustainability Competences: Interrelationships and Associations with Organisational Performance (R)	Amila Omazic	Institute of Business Administration and Business Sociology
11:00	11:20	The Impact of Strategic Thinking on Sensing Capability in Industrial Companies: A Structural Equation Modeling Approach (C)	Rudolf Grünbichler	Institute of Business Administration and Business Sociology
11:20	11:40	Leveraging Industrial Energy Flexibility in Production Planning for Redispatch in Electrical Grids (C)	Julian Perwitz	Institute of Management Science
11:40	**11:55**	**Coffeebreak**		
11:55	12:15	Engineering Agentic AI for Industrial Process Redesign: A Method and Reference Architecture for Governed Deployment in Semiconductor Manufacturing (C)	Philipp Besinger	Institute of Management Science
12:15	12:35	Towards Measuring the Economic Value Contribution of Generative AI in Semiconductor Manufacturing (C)	Daniel Valtiner	Institute of Management Science
12:35	12:55	Overall sustainable equipment effectiveness (osee): a dynamic bayesian network framework for sustainability-integrated decision support in manufacturing (R)	Theresa Madreiter	Institute of Management Science
12:55	13:15	A Modeling Framework for Individual, Dynamic Learning Trajectories in AI-Enabled Learning (C)	Michael Necemer	Institute of Management Science
13:15	**14:00**	**Lunchbreak (incl. Faculty Meeting)**		

13:15	**14:00**	**Lunchbreak (incl. Faculty Meeting)**		
14:00	14:20	Development of an end-of-life decision support model for selecting environmentally and economically optimal end-of-life strategies in the wind industry (R)	Stefanie Eisl	Institute of Management Science
14:20	14:40	Implicit Interaction in Technology-Assisted Assembly: Adapting to Bodily Context and Human Action Recognition (R)	David Kostonali	Institute of Management Science
14:40	15:00	Automating the Double Materiality Assessment in Sustainability Report-ing under the CSRD (R)	Maximillian Nowak	Institute of Management Science
15:00	15:20	„I've got nothing to hide“: Operationalizing value sensitive design for privacy-aware ai and robotic technologies in elderly care (R)	Reinhard Kletter	Institute of Management Science
15:20	15:40	Activity-Based Standard-Cost & GHG Accounting: Design and Development of an Accounting Information System for the Manufacturing Domain (R)	Lalla Hasnae Alaoui	Institute of Management Sciences
15:40	**15:55**	**Coffebreak**		
15:55	16:15	Integrating Value Analysis into Eco-efficiency Assessment (C)	Gerhard Laubichler	Institute of Innovation and Industrial Management
16:15	16:35	Decision Support for Planning in Industrial Production Networks (C)	Daniel Gutmann	Institute of Innovation and Industrial Management
16:35	16:55	Integrated Planning for Logistics and General Assembly in the Automotive Industry (C)	Simon Gruber	Institute of Engineering- and Business Informatics
16:55	17:15	Towards a modeling language to capture complementarities and technical dependencies in innovation and platform ecosystems (C)	Maximillian Orgler	Institute of Engineering- and Business Informatics
17:15	17:30	Closing Round	Wolfgang Posch	
17:30		**End**		

(C) … Concept presentation
(R) … Result presentation

Parking Zones

- Parking in the city centre of Leoben is subject to charges.
- The Blue Zone is a short-term parking zone, whereas the Green Zone has no parking restrictions in terms of time.
- Overview of car parks in the city centre: Car parks

Car Parks

Main square underground car park (short and permanent parking)

Hauptplatz 1
8700 Leoben
show on city map
Operated by: Stadtwerke Leoben
+43 3842 230 24 801
Rates: Parking at Parkgarage Hauptplatz
Opening hours:
Monday to Sunday: 00:00 – 24:00

Asia Spa car park (short and permanent parking)

In der Au 1 – 9
8700 Leoben
show on city map
Operated by: Stadtwerke Leoben
+43 3842 230 24 801
Rates: Parking at Parkdeck Asia Spa
Opening hours:
Monday to Sunday: 00:00 – 24:00

Multi-storey car park at LCS (short-term parking)

Hauptplatz 19
8700 Leoben
show on city map
Operated by: Leoben City Shopping (LCS)
+43 3842 47100
Rates: Parking at LCS Parkgarage
Opening hours:
Monday to Friday: 07:00 – 20:00
Saturday: 07:00 – 19:00
closed on Sundays and public holidays
